Media Statement on the Robbery at Finance MEC's House

The Free State Provincial Treasury wish to confirm the report by the Police that there was indeed a house robbery at the MEC's House last night around 20h00 and 20h15.

We further wish to confirm that the Hon. Rockman and her family are fine and unharmed from the said incident. A case of Armed robbery has been registered with the Police for further investigation.

We can confirm at this stage that the laptop and two small safes containing mainly jewellery were taken from the house by the robbers.

We there request that no speculations should be made regarding the motive of the robbery and we should allow the police to do their investigation as it is their duty to do so.

We want to make an appeal to all Free State Citizens to stay calm and afford our state law agencies to do their work and brought those involved in this crime to book.
